

Senior Training & Retention Program (STAR)

Providing an environment of continuous growth and professional advancement is a cornerstone of CBIZ and Mayer Hoffman McCann P.C.'s mission. The STAR program is fundamental to creating such an environment.

STAR provides our Senior Associates a forum to continue to establish a connection between personal success and company success and accelerates advancement opportunities.

STAR focuses on the specific opportunities and challenges faced by Senior Associates in public accounting:

- Managing Engagements
- Leadership & Mentoring
- Business Development
- Career Ownership
- Communication
- Personal & Professional Ethics

STAR provides the opportunity for each Senior Associate to build peer relationships and express themselves in a group setting, as well as one-on-one coaching opportunities with Managers and Directors.
